SAVEGREEN™

Start your energy-savings journey with just \$1*

for a Quick Home Energy Checkup+ (QHEC+). This comprehensive home energy assessment will pinpoint energy and cost-saving opportunities in your home. During the QHEC+, a certified auditor will:

- Evaluate your HVAC, water heating and other natural gas-powered equipment.
- Inspect the insulation and ductwork in your attic and basement.
- Assess the efficiency of your lighting fixtures and bulbs.
- Conduct a blower door test to uncover areas where heated and cooled air is escaping from your home.
- Install a new smart thermostat at no-cost that was purchased on the NJNG Marketplace.

Following your QHEC+, you will receive a detailed report on the energy-saving opportunities in your home along with recommendations to help you determine next steps that best meet your needs and budget.

Call 877-455-NJNG (6564) to schedule your QHEC+ and start saving today!

*Terms and conditions apply. Offer runs June 12 through September 30, 2024. Only available to NJNG residential customers. NJNG makes no warranties or representations, expressed or implied, as to the fitness for a particular purpose or merchantability of the energy analysis services, or the completeness or amount of energy savings resulting from an audit/analysis. Estimates of energy savings are generalized, and no particular amount of energy savings is promised or guaranteed. This offer does not apply to new construction.
